FOCUSED ON THE ESSENTIALS

FOCUSED

on simplicity
and quality

Available in white or ivory, Kaptika™ is a complete product designed with simplicity and seamless integration in mind, for installation in any location.

1 CATALOGUE NUMBER = 1 COMPLETE FUNCTION

2 P+E socket outlet

SIMPLE TO CHOOSE

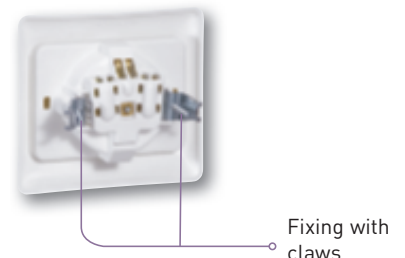

- 1 Cat. No. = 1 complete product
- 2 colours - white and ivory

SIMPLE TO SELL

- Products are protected by individual, pegboard flow packs
- They are supplied in self-selling boxes for easier product visibility on the shelves

SIMPLE TO INSTALL

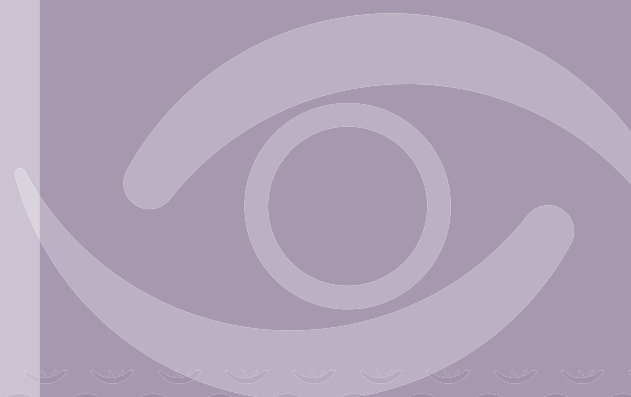

- Claw or screw mounting (claw screws reusable)
- Compact mechanisms allow more space in the flush-mounting box

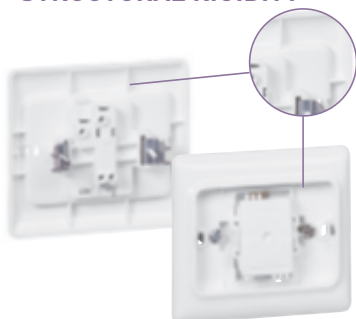

CONFORMITY TO STANDARDS

Two-way switch

STRUCTURAL RIGIDITY

Reinforcements on the front and rear panels strengthen the product and ensure a sturdy fixing to the wall. The one-piece plate and mechanism provide greater robustness.

COMPLIANCE WITH STANDARDS AND THE CE DIRECTIVE

- › Compliance with IEC 60884-1 for plugs and socket outlets
- › NF C 61-314
- › The Kaptika™ range meets GOST standard requirements
- › Compliance with IEC 60669-1 - Kaptika™ switches have been reliability tested to 40,000 operations for incandescent lamps and 10,000 operations for fluorescent lamps

GUARANTEED SAFETY

- › The guarantee of Legrand's internationally acknowledged expertise
- › Socket outlets equipped with shutters for child protection

FOCUSED on durable solutions for a customised environment

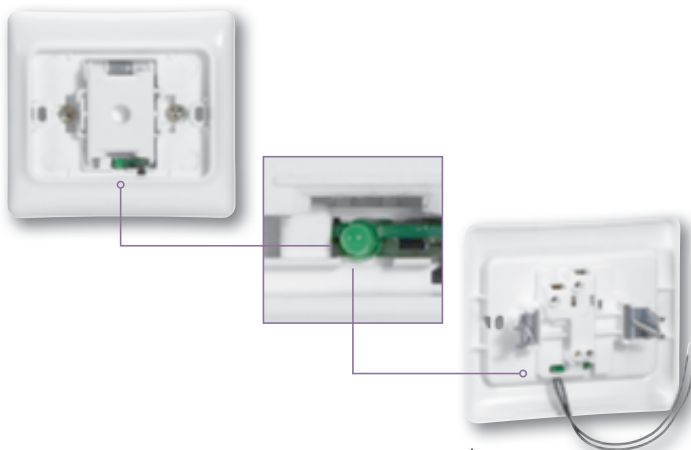

Equipped with all the essential functions, Kaptika is perfectly suited to regular installations. All illuminated Kaptika switches are equipped with energy-efficient green LED indicator lights.

Commitment to a sustainable future

All switches with indicator lights are equipped with green LEDs

LED INDICATOR

Long wires for ease of wiring

› Switches with LED indicators are environmentally-friendly, low-consumption (1 mA) and have a longer service life than those with a conventional indicator light. 40,000 control operations guaranteed.

Lighting

Two-way switch

Switch with LED

2-gang switch with or without LED

Connection

2P socket outlet

2 P+E socket outlet

Cable outlet

2 P 2-gang socket outlet

Communication

RJ 11 telephone socket

RJ 45 socket

TV socket

**IDEAL FOR
ALL BUILDING
